

ARMY Declass/Release Instructions On File*

CARD 380.01 (03)

MEMORANDUM FOR:

SUBJECT: Current Developments in International Communism

1. Reference your Memorandum dated 11 February 1957, subject as above.
2. Such documents as that transmitted by reference are utilized in this office primarily in training and broadening the background of the intelligence analysts in communism. They are considered valuable in understanding the local confusion and problems and in evaluating the international situation. If a stronger organization should develop locally, such documents would greatly increase in value.
3. Continued forwarding of such material is desirable, within the capabilities of your office.
